Make a difference, one child at a time, by supporting our Clubs through our Youth of the Year Program!

Core Club Programs

ACADEMIC SUCCESS

Your generous support places you alongside our staff and volunteers who believe that the foundation of success is quality education and a true love for learning. Our Academic Success Initiative includes a wealth of programs designed to bolster Members' academic performance while also peaking their excitement and curiosity for lifelong learning.

HEALTHY LIFESTYLES

With youth obesity plaguing the health of our Nation's young people, we are committed to helping our Members achieve physical fitness and overall wellness. For many of our Members, the daily "Afternoon Supper" is the only food they'll eat until school lunch the following day.

GOOD CHARACTER & CITIZENSHIP

Together we are shaping the next generation of leaders in our community by empowering our youth to support and positively influence their community; sustain meaningful relationships with others; cultivate solid moral character and respect their own and other cultural identities

"The Club has helped me grow as a person by teaching me to become more responsible and independent. The Club is one of the best things in our community because it helps kids stay in school away from drugs and violence and get ready for the future." -
